MEMORANDUM FOR VAAFA MEMBERS (This announcement is for VAAFA members only and is NOT intended for public release)

**Vietnamese American Armed Forces Association's
Participation at San Jose TẾT Festival (21-22 January 2012)**

This year the Coalition Tet Festival in San Jose, California, invited VAAFA for our participation at their TẾT Festival fairground located at 344 Tully Road, San Jose, CA 95111, from 21 to 22 January 2012.

VAAFA has accepted this invitation and we will setup one GP Medium field service tent with camouflage net and several other military artifacts/equipment at the designated location based on the availability of these items that our members will try to get. We will also have military recruiting offices to provide us with recruiting materials to include video/photo and brochures for display and distribution as appropriate.

As a result, we will need supports from our members to setup these items prior to 20 January 2012.

Interested members who are willing to support this event should contact one of the two POCs as listed below:

- **Event OIC: CPT Lanh Duong**
Cell: (626) 315-6273; Email: lduong98@hotmail.com
- **Event NCOIC: SSG Thanh Nguyen**
Cell: (925) 895-9575; Email: thanh.c.nguyen@usar.army.mil

We appreciate your support and participation to this meaningful public event. We are looking forward meeting you and hopefully your family during this TET Festival at San Jose, California.
